PROSPECTUS

THE BEST WAY TO
PREDICT YOUR
FUTURE
IS TO CREATE IT...

LEARN... LEAD... TRANSFORM...

VISION

Lighting the candle of knowledge in today's youth to be responsible World citizens of tomorrow

MISSION

Educate, Empower & inspire to Evolve

Educating a Women is Educating a Family

Committed to Educate & Inspire through Education - Shri. Bhawarlal Gothi Founder

With the belief that – 'Educating a women is educating a family' Founder & Chairman Shri.Bhawarlal Gothi had set the foundation to educate & inspire young women to empower themselves in the highly competitive world awaiting them. The Founder cherishes the dream vision of “Lighting the candle of knowledge in today's youth to be responsible citizens of tomorrow” through disbursement of value based education system.

The college provides and promotes, both skill-based & job-oriented courses which help the women community to become more independent & career oriented, it not only helps in chiseling out the academic excellence of the students but also trains them in various co-curricular activities. RB Gothi Jain College for Women is focused on instilling Entrepreneurial & Ethical values in women, which gives them edge & adaptability towards today's highly Competitive work culture . New and efficient techniques in teaching, complete infrastructural facilities and providing a conducive atmosphere for the students to pursue their education are the hallmarks for this institution. Every year we have many students as university toppers making the college proud.

The College empowers young women to be leaders in all walks of life by instilling Indian values & culture which will play a vital role in bringing about the desired change in the society for the betterment of our country. The college works for the upliftment of women from the grass root level. Its vision for promoting women's education from the primary level to post graduation level is in track with the 11th Five year plan of the Government of India. Our Founder & Chairman is associated with various educational institutions in India, with his strength of spreading education to over 6500 students and numbers growing by the years.

Shri Bhawarlal Gothi is a educationist, philanthropist & a "Bhamashah Awardee" instituted by the Ministry of Education - Government of Rajasthan, for his dedicated service in the fields of Medical & Education.

Education is about empowerment, about cultivating a human being to the highest possible potential - a tool for fulfilling the immensity of being.

Co - Curricular Activities

NSS (National Service Scheme)

The NSS is an Indian government sector service programme conducted by the ministry of youth affairs and sports of the government of India. NSS was launched in the year 1969. The moto of NSS to serve the society.

YRC (Youth Red Cross)

The YRC is one of the avenues among NSS to the students to be pursued under personality and Character Development Programme. And to encourage the students to extend their humanitarian service to the society. To offer First Aid Training to all the YRC volunteers.

RRC (Red Ribbon Club)

RRC is an international symbol of HIV/AIDS. Since 1991. The objective of the Red Ribbon Club is to create awareness among students about HIV/AIDS. Red Ribbon Club is a movement started by the Government of India in schools and colleges through which, students will spread awareness over HIV/AIDS. Red Ribbon Club (RRC) is a voluntary on campus intervention implemented in RBGJ aimed at creating awareness about the high risk perception and preventing HIV.

Green Club

Green Club is a platform on which we got the knowledge about environment, Eco club is a group who works to contribute to improving environmental conditions and we offer programs & activities to encourage others to reduce pollution, plant trees and also to promote sound environmental behaviour. Green Clubs in our college are a terrific forum for students to know how to care for the earth and to put that knowledge into practice.

Health & Hygiene Club

Health education plays an important role in the field of education. To prevent illness and have positive health attitude correct and complete knowledge of health is necessary. The importance of good personal Hygiene is necessary for many reasons: personal, social psychological or simply as a way of life. Keeping a good standard of hygiene helps to prevent the development and spread of infections and illness.

ED Cell (Entrepreneurship Development Cell)

The Entrepreneurship Development cell is committed to nurture and develop entrepreneurial skills in experiential manner among the student's community. The aim of ED Cell is to mould entrepreneurial opportunity in and out of the campus with a great stability in achieving social and economic progress through entrepreneurship.

"Creativity is a wild mind and a disciplined eye"

Teachers, Training & Technology

Excellent Academic Training

Academic excellence can be achieved through the right perspective of both the student and the teacher. Continuous evaluation of the student is done by the teachers. Parents teachers meeting are organized to enable parent participation in the monitoring mechanism. Slow learners are given special attention through re-tests and counseling.

Innovative Teaching Methodology

To sustain the interest of the students and make learning process more meaningful and productive, the new teaching techniques such as Role Play, Case Study, Group Discussion, Peer Teaching Quiz, Brain Storming, Audio, Visual Presentation, Assignments and Class seminars are introduced.

Student Support Schemes

Student Counseling Forum

The system has proved to be very effective in establishing a more meaningful rapport between the students and the staff.

Scholarship Proficiency Prize

The college offers a number of scholarship to the deserving students. The students are also encouraged to apply for scholarships offered by the government. The most proficient student of each class is awarded a Gold Medal or Prize at the end of every academic year.

Language Laboratory

Workshop on communication skill in English is conducted for all the first year students. Students are trained to acquire and sharpen essential language skills in reading, writing, speaking, listening and creative thinking.

Personality Development Programme / Value Added Courses / Spoken English

The Final Year students are trained in various skills like teamwork, accepting responsibility, problem solving skills, stress management and confidence building. The second year students are trained with tally, mobile app development courses as well as first year student are trained with spoken english classes.

Career Guidance & Placement Cell

In order to endow our final year students with a bright future, We have established a placement cell. Final year commerce students underwent Tally course which was organized by us with our curriculum. We tied up with short term course of Mobile app development programme for our final year computer students

Tour

Every year an educational/ cultural tour will be organized to educate our cultural heritage among the students.

Canteen

At R.B. Gothi Jain College for Women we believe in promoting vegetarianism as a healthy way of life with hygienic canteen.

Believe that enlightenment through learning and the growth of knowledge leads us to an awareness of a creative spirit.

Dr. M. Mahalakshmi
Principal

TESTIMONIALS

A College experience is something everyone should have, college is magic time. My college experience was like everyone else's. It was a great experience. I have learned a lot. I gained a new perspective about the world. It was a great memories. college inspired me to think differently. We had several campus interviews in our premises. It's rightly said, college is a place which turns us from, simple to stylish, shy to confident and emotional to wise. In my college life, along with studying I and my friends enjoyed a lot of other things.

Shoba .S - BBA.,

Most Courteously, I'm 2019-2022 Batch out student R.B. Gothi Jain college had been a great platform where I met numerous go good souls. Staffs are sculptor who carve me into a beautiful sculpture. Even though I had short time span in my college those days had been a joyous and blessed one in my life. It's a place where we are not only educated but been carbed into a disciplined person

Shamini - B.Com (CS),

Small lifestyle changes been advised which will bring definite sure short result and learned about being consistent, highly motivated, and overall journey to go about was enhanced, gave an extreme clarity. Yes, I have a great journey with more memories with R.B. Gothi Jain College for Women Redhills, Chennai. The time I spend 3 years will always remain me inspiration for my entire life. The environment of the college was very good, compact and comfort for all women. Always reminded us of a corporate world out there which does not recruit candidates based on marks but also on the skills levels. Our teachers used to teach us about to keeps us informed about the latest trends in technology and good counseling and motivation, what women can do, what are all the rights women have. Behalf of our education we learnt more about the world from our teachers. The emphasis on sports along with education always helped me a lot. I'm very lucky to be aluminum student at this college. I worried a lot because my college days have ended soon.

G. Ashwini - B.Sc Maths

A College which enriches students by both providing knowledge and physical education (sports) which keeps you mentally and physical fit. Coming to faculty, there are highly qualified and experienced lecturers which make the college an excellent one. over all it's a great place to seek good education. It has physical development activities like games, events and so on. A place to have fun and learn.

D. Deepika - M.Sc. CS.,

You educate a man, you educate a man.
You educate a woman, you educate a generation.
